I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: My doctor has researched the specialty pharmacies
to find the one that will deliver the safest, most
dependable allergy medications and supplements.
Commercial manufacturers cannot deliver the
same individualized, personal service.
